4H PEAKS AT REDLANDS 360

4H Peaks is the newest neighborhood at Redlands 360! Located next to our popular first phase of homes at Easter Hill, the community you love is getting even better.

The name is a nod to the four major plateaus within Redlands 360 that we call the “Four Brothers,” and the four street names of Colorado 14ers (Holy Cross, Humboldt, Huron, and Handies) within this new phase of construction! The land, along with its existing natural features, is preserved as open space to foster community and outdoor recreation. This breathtaking scenery and the area’s unique character are the very foundation of the Redlands 360 community. Don’t just take our word for it—come out and have a look around!

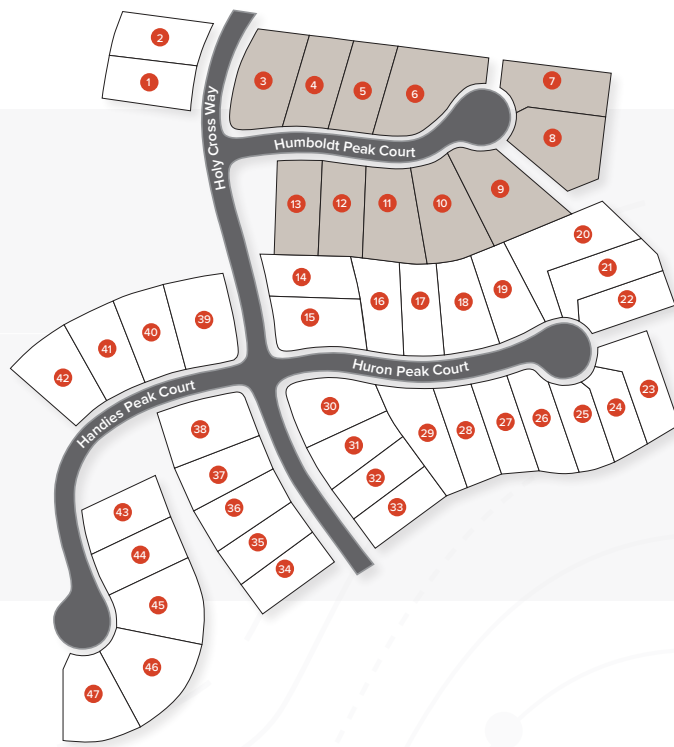

HOMES WITH MILLION-DOLLAR VIEWS!

4H Peaks offers 47 premium homesites, with homes available from two of our expert builders, Goetzmann Custom Homes (11 sites) and Aspen Leaf Innovations (36 sites). Here are some of the highlights of the lifestyle at Redlands 360:

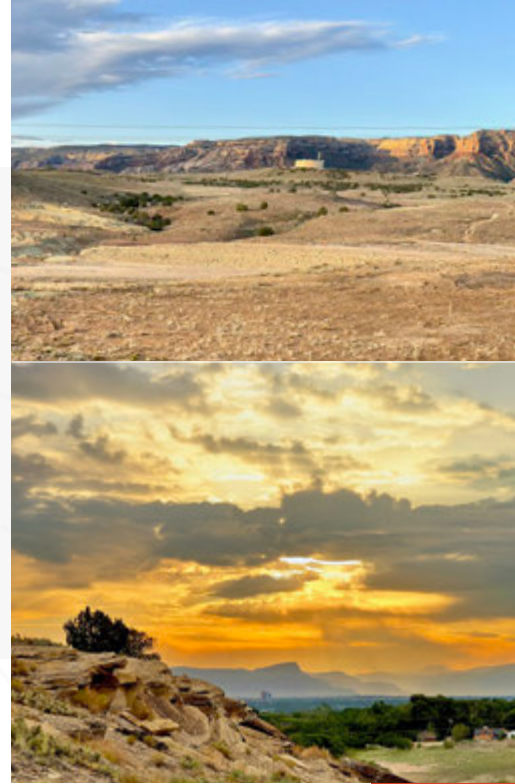

- Outdoor recreation is right outside your back (or front!) door, with endless access to multi-use trails and open space

- Spectacular 360-degree views of the Bookcliffs, Colorado National Monument, Grand Mesa, and Uncompahgre Plateau
